Report on AICTE Activity: Awareness on Government Schemes
From 23rd to 28th May, 2022

From the survey in the Kuduvati village it was found by the students that the residents of the village were not utilizing the government schemes efficiently. Most of the people were not aware of the schemes relevant to them. By this observation, students planned to give awareness on the schemes run by both state and central governments. Initially students showed interest on street play in the village to convey the message, later due to shortage of time, students decided to present using a PPT and posters.

The activity was carried on for a week from 23rd to 28th May, 2022. Students interacted with the locals bringing awareness on the schemes through mobile phones, showing various government android applications. There are different schemes for different age groups of people. Students made groups and every group chose one age group or field of scheme to reach out to locals effectively. Different schemes provided by the government are,

Scheme	Ministry	Launch Date
Pradhan Mantri Awas Yojana	Ministry of Housing and Urban Affairs	Launched on 25 th June 2015 Expected completion by 2022
Pradhan Mantri Gareeb Kalyan Yojana	Ministry of Finance	Launched on 20 June 2020

		Extended to 2022
Meri Policy Mere Hath	Ministry of Agriculture and Farmers Welfare	Launched on 26 th February 2022
RashtriyaUchcharShiksha Abhiyan	Ministry of Human resource development launched	Launched on 17 th April 2017 Extended date 31 st March 2026
Support for marginal individuals for livelihood and enterprise (SMILE)	Ministry of Social Justice and Empowerment	Launched on 12 th February 2022
Jal Jeevan yojana	Ministry of Jal Shakti	Launched on 15 th August 2019 Expected completion by 2024
Jal Shakti Abhiyan	Ministry of Jal Shakti	Launched on 22 March 2021

These are just some schemes that were discussed with locals, other types of schemes are agricultural schemes, rural development schemes, etc.

Report on AICTE Activity *Swacch Bharat Abhiyaan*
From 6th to 11th June, 2022

As a continuation to the survey done on 24th December, 2021 and according to department's action plan to the AICTE Activity, Swacch Bharat Abhiyaan was conducted on 7th June, 2022 by 2018th and 2020th batch students under the guidance of AE HoD Dr. Deepa M S accompanied by AICTE Activity and NSS coordinator Prof. Hari Krishna S, respective class teachers and mentors. Students along with faculty left the college campus at about 10:30AM and reached the Kuduvathi Village at 10:45AM from June 6th to 11th, 2022. Throughout the activity the residents of the village assisted the students and staff.

The students aim was to make the village plastic free. They reached the nooks and corners of the village and picked up all the plastic & glass wastes found around the village. All the garbage was collected in garbage bags provided by the gramapanchayat and was disposed through a van which was arranged by the member of the panchayat.

Students planned with the help of faculty and dispersed across the village and carried on the cleaning of the village till about 4PM all days from June 6th to 11th. After all the cleaning done by the students, at the last day they identified few places in the village and planted few saplings which was intended to be part of World Environmental Day. At the end of the activity, the students interacted with the school children to bring awareness on cleanliness, ways to dispose garbage and importance of trees. Awareness on plastic waste was also given to everyone in the school and what dangers the plastic waste can pose on earth was also discussed. School children interacted with our students very enthusiastically and also shared their thoughts.
