S J C INSTITUTE OF TECHNOLOGY
DEPARTMENT OF AERONAUTICAL ENGINEERING
REPORT ON AVION – 2022

Department Club – PRAVEGA, was set up in the year 2017 with a motto

- To improve the practical awareness of the students which include designed and building of working models an operating them.
- To encourage and guide students to participate in various competitions held in our college and other college.
- To guide students in their final year project and for paper presentation.

The above objectives of the club, took shape during the college technical fest AVION 2022, the inter collegiate technical fest of the Department of Aeronautical Engineering. It was organized on 10th and 11th June 2022.

A team of enthusiastic students willing to work as volunteers/co-ordinators was formed under the supervision of Head of Department and faculty co-ordinator. Events conducted was discussed among student co-ordinator, faculty co-ordinator and Head of the Department. The finalized list consists of 5 events with student chapter in AeSI.

The co-ordinators came up with a program schedule which has to conducted on 10th and 11th June as follows

Day 1

- 1) Inauguration of AeSI Student Chapter
- 2) Aircraft sketching
- 3) Hydro-Rocketry

Day 2

- 1) Aircraft sketching
- 2) CAD modelling
- 3) Mind sweepers

The rule for all the events was prepared by the students with the consent of HOD and Faculty in charge (Rule Book Enclosed). A registration fee of Rs. 100/- was fixed for each event and a cash prize of Rs. 2000/- for First place, Rs.1000/- for Second place and Rs.500/- for third place was also decided as per the direction of the Principal.

A brief report of the event was prepared and submitted to the Principal with a request to sanction financial assistance for the event. A request letter with schedule and rule book was sent to various college having Aeronautical branches for wide publicity and participation. Two students for each event were identified as Event volunteers/co-ordinators who were responsible for smooth conduction of their respective events, inviting the judges, arranging the requirements, finalization of the results etc.

Intercollegiate Tech Fest, AVION 2022 started on 10th June, following with registration for all the events.

Day 1- 10th June 2022

Event 2: Aircraft sketching

Theme for the event was given as future scope in aircraft industry or aircraft of imagination The following students was declared as winners by Judge – Dr. Deepa M S and Prof. Vidya 1st Place- Akash M- 8th SEM, AE, SJCIT

2nd Place- Darshan

3rd Place- Umesh Rana - 8th SEM, AE, SJCIT

Event 3: Hydro Rocket

Launching of rocket models made of 2 litre plastic bottle, the given model was pressurized using water.

It had 2 rounds

- 1st round, the pressure was set to 50 bar.
- 2nd round, it was left to participants to decide the pressure to given.

The following students were declared has winners by the Judges –Prof Srinivas M S andProf Harikrishna

1st Place- Umesh Rana- 8th SEM, AE, SJCIT

2nd Place- Manoj B N - 6th SEM, AE, SJCIT3rd Place-

Ganesh- 4th SEM, AE, SJCIT

Day 2: 11th June 2022

Event 4: CAD & CATIA Modelling

A competition held for modelling an engine mount part from the orthographic projection given as a drawing. This event was judged by Prof. Rohit L G and Dr. S N Nataraja. The following students were declared as the winners 1st Place – Girish - 8th SEM, AE, SJCIT

2nd Place – Mallangouda - 6th SEM, AS, SJCIT

Event 5: Aircraft scripting

A theme was given to the students as future trends in aviation industry or to write about an aircraft of their imagination. This event was judged by Dr. Deepa M S and Prof. Harikrishna

The following students were declared as the winners 1st Place - Prasad Belangundkar - 8th SEM, AE, SJCIT 2nd Place – Bharath Kumar S - 4th, SEM, AE, SJCIT 3rd Place – Akash M - 8th SEM, AE, SJCIT

Event 6: Mind Sweepers – Technical Quiz

Techno Quiz which had an initial elimination round to select only 6 teams for the next round in this round 20 questions were given each to solve in 10 mins.

Top 6 teams were selected for the next series of rounds which had general round, rapid fire and visual round. This event was judged by Prof. Vidya and Prof. Sunkappa

The following teams were declared as winners

1st Place – Vignesh Gowda & Ganesh, AE, SJCIT

2nd Place – Rohan S & Manjunath J, AE, SJCIT

3rd Place – Niveditha S & Meghana D, AE, SJCIT

Felicitation of the above winners of the all events was organized on the second day i.e., 11th June 2022 and a cash price of Rs. 2000/- for First Place, Rs. 1000/- for Second Place and Rs. 500/- for Third Place was handed over along with the certificate of Appreciation by HOD Dr. Deepa M S, accomplished by the thanks giving to all the faculties, volunteers and participants who worked towards the success of the Technical Festival AVION 2022 under the club PRAVEGA, Department of Aeronautical Engineering.
